Camp Euchee Dedicated

Put this down as scout history boy on several tests, viz. first aid, personal health and public health. On August 8, 1922 the Lious Hoy scout camp was dedicated to the use of Box Scouts of Tokas county. The services were brief but impressive. In the presence of over forty men and women and about a dozen chil dren, I'hil Moore told of the past history and turned the camp over to Lee Levering president of the secul council. Mr. Moore told how the Lious scarched the woods for a location, then the rise and fall in the building activities, just like the rebuilding of the temple at Jerusalem but pushing on and on, the job was

as the Lions' den.

It was a regular plonic, too. A dozen or more cars carried most of the crowd to Sand Springs where hay rocks and cars took the folly mixture of Lions and councilmen with families to the camp. A wheel broke or one of the wagons and a number of the ladies walked three miles through the woods and said they enjoyed it. They said they wanted to go that way again. So now, you husky scouts, you better not complain about the hike.

What the picnickers and the working gang, drivers and workmen, etc., did to that lunch need not be mentioned. It was a great feed and very few scraps were gathered by those policing the tables and ground. The splendid thing about the pro-

going and the workmen paid; then

the daddy of the scouts. Also a bunch of Lions and councilmen who all did good work in various ways.

A story was told of how Rooney. Moore, Lindly, Pritchard and others went out and selected a site and found that it was on four corners. Ye Page said that if it was what they or wanted he would buy all the other three, he owned one. But that was saking too much so they went on visualization. asking too much so they went on and found the present location, which was deeded to the Lions and

Well, it was a great day, and we are hoping that there will be many more like it. Now get in your application for the next camp. The drilling rig is half way to camp at the writing of this report—there will be water and the boys on the grounds are making things tidy. Tents, cots, field kitchen, tableware and other stuff is already on the grounds.

Court of Honor

Next Thursday, the 17th, at Owen park, 5 p. m., the midsummer court of honor will be held. Shelter house will be headquarters. Why not come out at 5 or 6 o'clock and have a picture with the support of the nic supper with your troop? Arrange this at once. Then if you bring your bathing sulf you can take a swim—15 cents for use of dressing room and one towel. The bugier

Have you passed your second or first class tests? If mo, come to headquarters and see that your record is clear and give the secretary 16 cents for a first. Merit badges or 15 cents. These must be paid for if you want to receive them at the court of honor. All above tender-foot are presented at troop meetings by scoutmaster or troop committeeman.

Just as soon as school starts, when all your fellows are back and vacation jobs are done, let's hold some investure ceremonies. During the month of October there should be an investure ceremony and a court of honor in every district to receive new scauts and give out badges to those who have earned them. Draw on headquarters for help. It is hard for the chief to come and find you, especially now when so many are away.
